MENS (40 FT) - MENS (30 FT) - WOMEN (30 FT) - JUNIOR DIVISION (BOY, GIRL, JUNIOR, CADET)

RINGER PERCENTAGE _____ (SEE EXPLANATION BELOW)

EXPLANATION: The competition will be based on a round-robin format. Everyone will play everyone else in a given class. Games will consist of 40 or 50 shoes pitched. Competitors will be placed in classes of the same skill level (ringer %). Each class will include approximately 8 competitors. Competition will last approximately 3 hours for each class. Men 17 years of age and up will pitch from a 40 ft platform. Elder men and those with a disability will pitch from 30 ft. Women 17years and up pitch from a 30 ft. platform. Boys 11-16 years of age pitch from 30 ft, as do girls 11-16 years of age pitch from 30 ft. Juniors, boys and girls, 10 years of age and under will pitch from 20 ft. In order to determine what your ringer %, measure off the distance you are planning to pitch from and pitch at least 100 shoes and count the number of ringers you make. For example, if you hit 10 ringers out of 100, then your percentage is 10%. In order to be placed in a class you must list a ringer %.
